Hey Teves

Didan Notzach! The Rebbe's library

Hey Teves is the day of Didan Notzach! It was declared in the American court system that the Rebbe's library belongs to the Chasidim. After a long time of much pain, it was a big victory and a great celebration 🍾. This year we mark 40 years since the original Hey Teves!

🏠 Bring the spirit into your home

- Put a white tablecloth
- Light 2 candles
- Give Tzedakah
- Prepare L'chaim
- Have a special treat
- Set out some Sefarim that belong to you and try to read from them
- Make sure you have your own siddur and chitas in your room
- Try to buy a new sefer or Jewish book of your own. Remember to write inside: Lahashem Haaretz Umeloah
