Yud Shevat

The Frierdiker Rebbe's yartzeit and the start of the Rebbe's Nesius

Yud Shevat is the Frierdiker Rebbe's yartzeit and the day the Rebbe began his Nesius. From the first Farbrengen, the Rebbe taught us that this world is Hashem's garden. Our Torah and Mitzvos make the world beautiful and prepare it for Moshiach.

Hashem's garden
